

New Mexico CowBelle Invocation

Dear Lord, thank You for Your Presence at this meeting and for all the blessings you have given us. We thank YOU that we are free women in a free land with the opportunity to work together in our commitment to promote and preserve the beef industry, and we ask You for Your guidance and wisdom. Help us to share our legacy of stewardship that is the foundation of American agriculture and our way of life. Bless our troops and our daily lives and help us to better serve You. -Amen

CowBelle Creed

Believing that the livestock industry is of basic importance to world existence, we the New Mexico CowBelles dedicate ourselves to support it with our labor and finances; to promote it through information and publicity, to encourage its producers with our understanding and love; to do all in our power to instill in the coming generations the love of the land and of life, the humility and awe before nature and the hope and faith in the future that is inherent in cattlemen and cattlegwomen.
